PROGUARD APPOINTS NICOLAI WADSTROM TO ADVISORY BOARD

ProGuard expands advisory board by appointing Nicolai Wadstrom

San Francisco, CA, February 5, 2015, ProGuard is pleased to announce the newest addition to the Advisory Board.

> *Pro Guard Security, a premier provider of security services in the Bay Area, is very pleased to announce Mr. Nicolai Wadstrom, a parallel entrepreneur and founder of BootstrapLabs, as the newest member to join the company's advisory board.*

Mr. Wadstrom is a serial entrepreneur, angel investor and Venture Capitalist in Silicon Valley, and the founder of BootstrapLabs. He founded his first startup company in 1995, and has been starting and running a number of startup companies since then, ranging from software, gaming and Internet products to media and professional services. Mr. Wadstrom have advice and made angel investments in various Internet, Software, Mobile and Data driven startups in Europe and in Silicon Valley.

Mr. Wadstom's focus is on product and technology development where data and software intersects and facilitate disruptive innovation. Through BootstrapLabs, Mr. Wadstrom has accelerated $500M in startup value creation since 2008.

Mr. Wadstrom will advise on technical questions and the implementation of ProGuard's technology roadmap.

> *"The addition of Mr. Wadstrom to our Advisory Board allows ProGuard to further develop the company's technology road map, enhancing the overall service delivery", says Nils Welin, CEO of ProGuard. "ProGuard is a leader in the implementation and utilization of value enhancing technologies within the security industry. This addition to our Advisory Board further strengthens our commitment to the utilization of technologies that improves our competitive advantages through increased level of service. Our goal is to implement technologies that enhances the overall service delivery while seeking efficiency improvements"*
